There is one rational way to treat nasal catarrh: The medicine is applied direct to the effected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissues to a healthy state without drying all the life out of them and it gives back the lost senses of taste and smell. The sufferer who is tired of vain experiments should use Cream Balm. Druggists sell it for 50c. Ely Brothers, 56 Warren street, New York, will mail it.
